

HOW TO LABEL YOUR PARCEL

BLUE COURIER - PARCEL

All parcels must display a label to be handled effectively and safely. Please follow the instructions below to avoid extra handling charges.

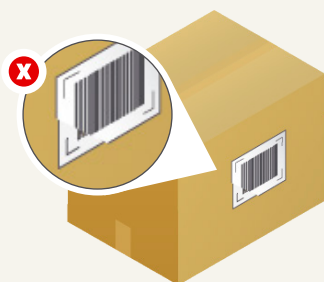

PLEASE REMEMBER TO

- 1 Leave the barcode clearly visible. The label print must be complete and not blurred.

- 2 Do not cover the barcode with anything causing reflection such as a plastic pocket, tape or likewise.

- 3 Place label evenly on the parcel and avoid creasing it.

- 4 Avoid placing the label on the parcel joint.
